Summary

A passionate and experienced IT professional with a strong academic background in computer science and hands-on experience as a professor. Combines technical expertise in software development (Laravel, Drupal, databases) with educational experience as an **Adjunct Professor of Algorithms and Data Structures**. Proven ability to lead software development projects, analyze system requirements, and inspire a love of technology in students. Currently pursuing a Bachelor's degree in Systems Engineering (anticipated completion soon) while working as a **Software Analyst, Full Stack Developer**, and **University Professor**.

Skills

- **Programming Languages:** PHP (Laravel, Zend Framework, Drupal), C++, Java, Python, Spoon
- **Databases:** MySQL, PostgreSQL, MongoDB, SQLite, Microsoft SQL Server, Redis
- **Web Development:** HTML5, CSS3, JavaScript (jQuery, React), PHP, RESTful APIs, AJAX
- **Frameworks & CMS:** Laravel, CodeIgniter, Drupal, Moodle, WordPress
- **DevOps & Tools:** Git, Docker, Jenkins, CI/CD, FLUIGsoftware
- **Cloud Services:** AWS (EC2, S3), Azure, Google Cloud Platform (GCP)
- **Version Control:** Git, GitHub, GitLab, Bitbucket
- **Testing & Debugging Tools:** PHPUnit, Selenium, Postman, Chrome DevTools
- **Other:** Leaflet (interactive maps), API integration, Agile/Scrum methodologies, Software Documentation

Experience

Software Developer & Analyst (Freelance) | 01/2017 - Present

- Developed robust full-stack applications using frameworks like Laravel for client-facing applications.
- Led full-stack development of client websites and platforms, ensuring scalability and functionality using PHP, MySQL, and Laravel.
- Collaborated with teams to implement cross-border digital signature solutions using RESTful APIs and third-party integrations.

Full Stack Developer | 01/2017 - Present

SOSMA (La Plata, AR) | 01/2017 - 03/2022

- Developed captivating landing pages using HTML5, CSS3, and jQuery for enhanced user engagement.
- Led full-stack development of a Progressive Web App (PWA) to enhance customer engagement, incorporating offline functionality and push notifications using Service Workers and Laravel.

Ministerio de Desarrollo Productivo (La Plata, AR) | 08/2021 - 01/2022

- Contributed to digital transformation projects, assisting in the development of internal applications using PHP and JavaScript frameworks.

Withmenetworks SL (Argentina & Spain) | 08/2017 - 11/2018

- Led the development of their online presence, migrating the technology stack to a more scalable architecture using WordPress and PHP, improving load times and functionality.

Other Relevant Experience

Universidad Nacional Guillermo Brown (UNaB) | 02/2022 - Present

- **Adjunct Professor:** Taught Algorithms and Data Structures, fostering a solid understanding of foundational concepts.
- **Teaching Fellow:** Led practical work sessions for programming and data science students, offering hands-on experience with C++ and Python.

Instituto Superior FEMEBA (ISF) | 02/2025 - Present

- **Professor:** In charge of the course "Informatics and New Information and Communication Technologies (ICT)" for the third year of Emergency Medicine.

FEMEBA (La Plata, AR) | 01/2011 - Present

- **Developer Analyst (2023 - Present):** Analyzed and resolved support cases while mentoring team members on development practices.
- **Team Leader & Help Desk Manager (2011 - 2023):** Led the Systems Management team, spearheading the development of a custom CRM system for efficiency improvement using PHP and MySQL.
- **Help Desk Analyst & Tester (2008 - 2011):** Provided technical support and troubleshooting for various systems, and assisted in quality assurance testing.

Previous Freelance Work | 01/2015 - 12/2016

- Developed and implemented company web portals using WordPress, MySQL, and PHP, improving client visibility and user experience.
- Designed and developed WordPress websites for small businesses, improving web performance and SEO ranking.

Education

- **Universidad Nacional de La Plata** | 2004 - Present (anticipated completion soon)

- Bachelor of Science in Systems Engineering
- **Universidad Nacional de La Plata** | 2004 - 2018
 - Computer Science Analyst and Programmer
